## THE DAILY NEWS.

O stay, Madonna, stay!
'Tis not the dawn of day
That marks the skies with yonder opal streak :
The stars in slience shine;
Then press thy lips to mine,
And rest upon my neck thy fervid cheek.

O s'cep, Medouns, elcept
Leave me to watch and weep
O'er the sad memory of departed joys;
O'er hope's extinguished heam,
O'er fanos's tallished dream,
O'er all that hature gives and man destroys.

O wake, Madonna, wake i
Even now the purple lake
Is dappled o'er with amber flakes of light;
A glow is on the hill,
And every trickling rill
In golden threads leaps down from yonder height.

O fly, Madonna, fly!
Lest day and envy spy
What only love and night may safely know:
Fly, and tread softin, dear!
Lest those who hate us hear
The sounds of thy light footsteps as they go.
